Paid every week

Free branding & video for you

No cost, no risk

up to \$12

for every guest who books

30+

tours & experiences to offer

Weekly

transparent payouts by your code

Every day, your guests walk away with money in their pockets.

If 20 guests pass through your tour each day, that's ~600 people a month who had an amazing time — and then go book their next Bali adventure with a stranger online. You did the hard part. Someone else gets paid for what comes next.

With SB, that stops. Your guest gets a great next experience, and **you earn on every booking** — for simply handing them a card at the end of the day.

WHAT YOU EARN

A clear amount per booking. Paid weekly.
No fuzzy “percentages”.

- ✓ A fixed payout for every guest who books with your code
- ✓ Your guides earn too — their own code, their own cut
- ✓ Paid every week — cash or transfer, fully transparent
- ✓ You only earn on real, completed bookings — no games

\$12 / guest

on our hero tours — up to.

Example: a couple you refer books the **Mount Batur sunrise jeep** tour. That's **2 guests** → **up to \$24** to you, for handing over one card. A few of those a week and you're well past a normal monthly wage — on top of what you already make.

AND THIS IS THE PART NOBODY ELSE OFFERS

We don't just pay you. We build your business — free.

We're a design & content team too. Join the network and we'll level up how *your* tour looks — no charge, because we want real partners, not just card-holders.

A proper logo & brand

Professional logo and clean visuals for your tour — done by us, free.

Pro reels & photos

We film and edit a scroll-stopping video of your experience for your socials.

Google & online setup

We set up your Google Business Profile so new guests actually find you.

Featured on our site

Your experience listed and promoted to our whole audience of travellers.

We send you clients too

It goes both ways — our travellers get pointed to your tour as well.

A real partner, not a middleman

We grow together. Your success on your core tour is good for both of us.

Your first ask isn't "hand out cards" — it's "let us make you a logo." That's the kind of partner we are.

HOW IT WORKS

Three steps. We do the heavy lifting.

1

Join & get your kit

Message us once. We print your SB cards with a QR, give you your unique partner code, and set up your free branding.

2

Hand a card at the end

Your guide gives each happy guest a card — “scan for your tour photos + a gift on your next adventure.” They scan, we take it from there.

3

Get paid weekly

Every booking under your code is tracked automatically. We pay you — and your guide — every week. That's it.

WHO IT'S FOR

If tourists pass through your hands, this is for you.

Best of all — these experiences don't compete with yours. You're just the one who told them the next cool thing to do.

Tour guides & drivers

Hotels & villas

Surf schools

Cafés & beach clubs

Scooter & car rentals

WHY PARTNERS TRUST US

No cost. No risk. Start with a 2-week trial.

Guests pay on the tour

No prepayment, no risk to your guests. Trust is built in — which makes them book.

Try it for 2 weeks

Take a stack of cards. If it doesn't put money in your pocket, walk away — you've lost nothing.

Every booking is tracked

Your code tags every referral automatically. You see exactly what you earned, and we pay it.

Let's make your guests worth more.

Send us one message. Tell us what you run, and we'll set you up
— cards, code, and your free branding — this week.
